

TMSAA CHEERLEADING COMPETITION

Articles of Understanding

I. GENERAL RULES

- A. You must list the cheerleaders competing on your squad on your entry form. Each squad member must be enrolled at the school for whom they are competing and an eligible member of a 2009-10 middle school cheerleading squad. A school must have membership in the Tennessee Middle School Athletic Association with grades 6, 7, and 8; grade 7 and 8; or grade 8 to be eligible for the sectional. There can be no student in a grade below the 6th grade competing in this sectional.
- B. Completed medical forms are mandatory. Please be sure all information includes insurance company name and policy number. **These forms must be turned in at registration the day of the competition.**
- C. The sectionals will consist of the following divisions:
 - 1. **Small Middle** – Squads with 16 members and under; 2 minutes and 30 seconds to perform.
 - 2. **Large Middle** – Squads with 17-25 members or more; 2 minutes and 30 seconds to perform.

A school may enter only one division.

- D. Each squad will be given time to enter the performance area and place poms, signs, etc. You may not begin your routine in a pyramid or stunt. Timing will begin with first movement, voice or music note.
- E. There should not be any organized exits after the official ending of the routine. All introductions (tumbling, entrances, chants, spell-outs, stunts, etc.) are considered part of the routine and will be timed as part of the performance.
- F. If a squad exceeds either time limit, a one point per judge penalty will be assessed for each violation. If the judges determine that a time violation has been deliberate or excessive, then additional deductions up to a maximum of five points per judge may be assessed. Because penalties are severe, we recommend that you time your performance several times prior to attending the competition and give yourself at least five seconds of “cushion” to allow for variations in sound equipment.
- G. The competition area for all divisions will be approximately 54 feet wide by 42 feet deep (9 Strips). All tumbling, pyramids and stunts must be performed on the performance mat. A one point per judge penalty will be assessed for each violation.
- H. If a sign or prop is **thrown** outside the performing area, that squad will receive a one point per judge deduction for each violation. Signs or props may be **placed** or dropped outside the performing area by a squad member.

II. INTERRUPTION OF PERFORMANCE

- A. If, in the opinion of the tournament officials, a squad’s routine is interrupted due to failure of the tournament equipment, facilities or other factors attributable to the tournament rather than the squad or any circumstances determined by the judges to be beyond the ability of the squad to control, the squad affected will be allowed to present its routine from the place in the routine where the interruption occurred. The degree and effect of the interruption will be determined by the tournament officials.

- B. In the event a squad's routine is interrupted because of failure of the squad's equipment, the squad must either continue the routine or withdraw from the competition.
- C. In the event that an injury causes the squad's routine to be interrupted, the squad must either continue the routine or withdraw from the competition. The tournament officials reserve the right to stop the routine due to injury.
