Open Facilities – Permitted year round (Monday through Friday) except during the **Dead Period**. Schools may use their facilities for students in their building prior to or after the school day. Practice During the School Day – All athletic practice during the regular hours of any school day shall conform to the same rules, regulations, and season as corresponding athletic practice outside the school day.

Multiple Contests – In tennis, individuals accompanied by a coach may enter varsity competition at a different site on the same date and time, and this will count as two days on the school's schedule.
